

Matt Cotton

Managing Director - EPCOS UK Ltd.

Since joining Philips Components in 1993 as a graduate trainee, Matt has working in the passives industry ever since. Following a short spell in Sales with Arcotronics he joined Siemens UK (now EPCOS UK) in 1997 and became MD in 2006.

In the interim he held positions in both Sales and Product Marketing Management. He has an in-depth knowledge of the UK market and is a strong supporter of UK manufacturing.

The Passive Component Manufacturing Group is Matt's first role within the ECSN but he is keen to utilise the role to support and develop the UK electronics manufacturing industry.
